Caring for life

07 February 2025

Dear Mrs Hutt and all at Evesham & District U3A

Thank you for the kind donation of £280 in memory of Sue Beneke. We are extremely grateful to you for thinking of our care.

It is always very moving to know that during a time of sadness and loss, people choose to make a positive contribution to help others who are living with a serious, progressive illness.

Each year, St Richard's cares for more than 3,000 patients and family members. We hope it will be of some comfort for you to know your gift will help us continue to support patients and loved ones both in the hospice, at home, and in the community.

Once more, on behalf of those who will benefit from your kindness, please accept our heartfelt thanks.

Yours sincerely
